\$5 a ticket or 5 tickets for \$20

The mission of the Hampton Lifeguard Association is to WATERPROOF LONG ISLAND'S SOUTH FORK and beyond through education and training. In order to promote the safe use and enjoyment of our many water resources in all communities, we provide assistance and participation in water safety programs and lifeguard activities that maintain the well-being for its members and the surrounding communities. In addition, we uphold a high standard of lifeguarding through training and lifeguard competitions for all age group programs.

Cheers to Waterproofing!
